

Guvenc Alp Erdem

Interactive Media / UI / Marketing Designer

I'm a senior visual communicator that craves for clarity. My goal as a designer is to provide simple, purposeful solutions to complex problems, and connect people by design. I'm passionate about combining technology, design, and content to create meaningful communication materials. Looking for new challenges as a contractor.

Experience

GAE Design (Freelance)

Consultant (Interactive Media / UI / Marketing Designer) | 2018 - Current

TiER1 Performance Solutions (Cincinnati, OH)

Interactive Media / UI / Marketing Designer | 2011 - 2018

Taking content and applying design with a strong understanding of spatial relationships and communication hierarchy. Analyzing a design problem and coming up with a solution. Guiding a project from concept to completion singlehandedly if needed. Collaborating with other creative. On daily basis mentoring less-experienced creative talent through the design process.

AdClub Cincinnati (Cincinnati, OH)

Graphic Design Intern | 2011

Designing and administering AdClub's promotional email marketing products such as poster, calendar, flyer, and eblast.

CCCMOS (Moscow, Russia)

IT Manager | 2002-2005

Managing team of 15 IT technicians. Scheduling and organizing maintenance procedures for clients. Establishing strong relationships with existing and possible clients.

Education

Cincinnati State Technical And Community College

Graphic Design | Jan 2012
Associate Degree

Moscow Engineering Physics Institute

Computer Science | June 2002
Bachelor's Degree
